PARTY OF MY 11 U.S.C. 523(a)(7) CAUSE
OF ACTION AND PURSUANT TO FED. R.
BANKR. P. 7054(b), LBR 7054-1;
DECLARATION OF JANINE JASSO IN
SUPPORT OF PLAINTIFF'S BILL OF
COSTS**

DATE:

TIME:

COURTROOM:

25 I, JANINE JASSO, declare as follows:

26 1. I am an individual, over the age of eighteen and the Plaintiff in the above-entitled
27 action. I have personal knowledge of the facts stated herein and, except as to those matters stated
28

1 upon information and belief, I believe them to be true. I could and would testify to said facts if
2 sworn as a witness in this proceeding.

3 2. I make this declaration ("Declaration") in support of my attached Bill of Costs.

4 3. Although I am attorney, I spend all of my legal practice doing math and tax
5 research for companies and communicating with the Internal Revenue Service. I have never done
6 any litigation.

7 4. Defendant Jamie Lynn Gallian is a convicted criminal in the State of California,
8 Case No. 18WM05278. After the State of California Criminal Court awarded me criminal
9 restitution for Debtor's crimes against me and my then seven-year-old daughter, Debtor filed for
10 Chapter 7 bankruptcy and dragged me into it by improperly claiming that the criminal restitution
11 judgment awarded after a jury's conviction was dischargeable.

12 5. As one of Debtor's victims, I tried to figure out how to protect the criminal
13 restitution judgment. I could not afford an attorney. I contacted the OC Bankruptcy Clinic. An
14 attorney confirmed that the criminal restitution was not dischargeable under 11 U.S.C. Section
15 523(a)(7).
16

17 6. About the same time that Debtor filed for Chapter 7 bankruptcy, the OC District
18 Attorneys asked us to move due to their concern for our safety after Debtor continued to defy the
19 court orders protecting me and my family. We moved out of state and are still protected from
20 Debtor under the current court ordered restraining order and no contact order that I previously
21 provided to the Court.
22

23 7. There were no bankruptcy attorneys in Texas who could help me with a California
24 bankruptcy case. I met with OC Bankruptcy Clinic attorneys by phone who explained the
25 procedures, provided me with forms and fee schedules for filing the complaint and other
26 pleadings, instructed me to purchase Adobe software to open documents they sent me and how to
27
28

1 prepare court filings. These kind attorneys further instructed me on how to sign up for and
2 download files from Pacer, bankruptcy court filing fees, the costs of discovery subpoenas,
3 reproductions costs, service of process costs, mailing costs and how to find a paralegal who could
4 help me comply with Court rules. I have followed their directions regarding these bankruptcy
5 procedures.

6 **I. AN AWARD OF COSTS IS NOW APPROPRIATE**

7
8 8. On May 13, 2025, after years of bankruptcy litigation related to the Debtor, the
9 Court entered final judgment [*DK 160*] in my favor on my first cause of action of my Second
10 Amended Complaint, based on the Court's previously granted partial summary judgment under
11 Bankruptcy Code §523(a)(7) [*DK 84*] and granted costs of suit to be requested through filing a
12 bill of costs.

13 9. No attorney fees are requested because I am a pro se Plaintiff.

14 10. I have attached a spreadsheet totaling my receipts related to the costs I paid related
15 to this case and listed on the Bill of Costs. See **Exhibit 1**.

16 11. I have attached the related receipts listed in the spreadsheet. See **Exhibit 2**.

17 12. Certain receipts I could not locate. For example, I could not locate the receipt for
18 the Court's issuance of deposition subpoenas in my case to 8 third parties. This Court ordered
19 third party discovery would be the discovery process at the first pretrial conference hearing after I
20 provided evidence of the existing court protection orders, including a no contact order, for my
21 safety. So, on February 23, 2022, I paid the Court fees for the clerk's issuance of subpoenas for a
22 total of \$208. I also could not locate my May 26, 2022 receipt for the Court's \$199 fee I paid
23 related to my motion for relief from the stay regarding the criminal restitution judgment debt I
24 was attempting to collect from the Debtor under California state law. I believe my payment of
25 Court fees are noted in the Court's docket. In addition, for any receipt I could not locate, I declare
26
27
28

1 under penalty of perjury that I paid all of the costs listed in the Bill of Costs.

2 13. Regarding computer software, I did not previously have software to download and
3 open pdfs related to court forms, rules, to prepare discovery, to download and open responses to
4 discovery, or to properly prepare pleadings in compliance with the court rules. I purchased a
5 monthly Adobe subscription based on directions by the OC Bankruptcy Clinic attorney. I used
6 this software for everything I had to file, all of Gallian's pleadings filed on Pacer, and preparing
7 discovery. The total I paid over the 3 years and 8 months of my bankruptcy adversary case and
8 the Debtor's main case totaled \$1247.00.
9

10 14. I did not have any office equipment to produce and reproduce pleadings, supplies
11 or mailing supplies. Therefore, I had to pay a significant amount of out-of-pocket costs including
12 Adobe for pdf software, reproduction costs using multiple companies like UPS, FedEx Office,
13 Office Depot/Office Max, postal services from USPS, Postal Annex, UPS for mailing services,
14 process servers, Bk court transcription company, court fees and a paralegal to combine exhibits
15 with my pleadings, bate stamp and assist me fixing an errors I did regarding typos, proper court
16 format and reducing the size of pdfs to file electronically with this Court.
17

18 15. I had to pay large transcription costs to get transcripts of Debtor's testimony in the
19 numerous 341a hearings as part of my discovery, and preparing motions and preparing my case
20 for trial. The reproduction costs for the hundreds of pages of exhibits, scanning costs to get all
21 pleadings put in pdf for filing with the Court, and costs for mailings supplies and service for each
22 item that had to served.
23

24 16. Regarding Pacer fees, Debtor did not serve me with any of her filings in her main
25 case or in my adversary case. Based on the OC Bankruptcy Clinic attorney's instructions, I had to
26 obtain a Pacer account and pay Pacer fees in order to download Debtor's filings so that I could try
27 to respond.
28

1 17. Debtor's filings in this case were often very chaotic. She filed 2-5 answers to my
2 complaints. In addition, Debtor's multiple filings in the main bankruptcy case were even more
3 chaotic, including amending her bankruptcy schedules multiple times, ultimately resulting in
4 more than 12 sets of bankruptcy schedules. As a result, I tried to keep up learning how her
5 numerous filings affected my case, including numerous appeals, to determine what I needed to
6 respond to in order to protect the criminal restitution judgment debt. For each response I had to
7 file, I had to pay the reproductions, scanning, mail supplies and service fees. This took a lot of
8 payments of Pacer fees and reproduction costs related to Debtor's main case, this case, and in
9 Debtor's bankruptcy appellate cases related to this case.
10

11 18. Based on this declaration and attached receipts which relate to the item listed in
12 my Bill of Costs, I respectfully request that the clerk award costs in the amount of \$10,782.06.

13 I declare under penalty of perjury under the laws of the State of California that the
14 foregoing is true and correct.

15 Executed on May 14, 2025, at El Paso, Texas.
